I need support to help
sustain my work in
community now and in
the future.

I want to become a strategic
donor and advisor.

I want to examine
my current giving
practices.

WHO:

EDG is designed for philanthropic leaders and professionals who experience limited donor of color engagement and seek to build solid connections with donors of color.

WHAT:

EDG is a series of 10 Curriculum modules based on the principles of social change and community-based philanthropy.

WHEN:

EDG Curriculum scheduled training will begin in 2017.

WHERE:

The EDG Curriculum is offered in an 8-hour instructor-led classroom setting. Trainings are conducted nationwide at a client selected facility.

HOW:

The EDG Experience moves beyond a traditional training program to one that guides you along a journey of self-discovery and transformation.

The EDG Curriculum supports and encourages donors of color to take intentional action that bridges the gap between individual giving and collective giving.
